53 MOTOR YACHT

THE "IN" PLACE THIS

SEASON

A large white motor yacht is shown from a side-on perspective, moving across the ocean. The boat has a prominent upper deck with a curved windshield and a lower deck with large windows. Several people are visible on the upper deck, including a man in a white shirt and a woman in an orange shirt. An American flag is flying from the stern. The boat is leaving a white wake behind it.

It's an exclusive island, lush with comfort and convenience... the Hatteras 53 Motor Yacht.

Year after year, season after season, our luxury fiberglass 53 Motor Yacht becomes the haven for yet other experienced yachtsmen, other seekers of penthouse privacy, other knowledgeable investors.

Understandably so.

She's a great sea boat. Responsive. Stable. Tracks well and maneuvers easily.

For those with a disdain for crowding, our 53 is a paradise. With large flying bridge, walk-in

engine rooms, three staterooms, three heads, each with its own stall shower, large galley with full-sized appliances, close-by dinette, spacious aft deck and on-deck salon. There's even a space on board to tuck away a washer/dryer.

And like every Hatteras, the engineering and craftsmanship that help keep maintenance low, also help keep her retained value high.

In other words, our 53 Motor Yacht is "in" this season because her qualities are never out of season.

YOUR PLEASURE WILL BE GENUINE.

As genuine as the imported, rich wood panelling, cabinets and doors you'll see in the Hatteras 53 Motor Yacht.

What will bring you pleasure? We asked ourselves that question literally thousands of times when we designed her. And as we refine her.

You'll find our answers everywhere.

In the rare wood cabinets, for instance. Carefully constructed, hand-fitted, hand-finished. Yet easy to keep looking good.

In the Hatteras advanced electrical system. It's versatile but simple to operate. The embodiment of comprehensive electrical management.

In the generous headroom. In a more efficient and quieter air conditioning/heating system. In easy access engine rooms.

And in the skills of the Hatteras Interior Decorating staff as well as a broad selection of materials, fabrics and such from the latest in decorating fashion.

What will bring you pleasure? Once you've seen the Hatteras 53 Motor Yacht, nothing but a Hatteras.
