Smart and sexy. Casual and fun. The Hatteras 39 Sport Express is the kind of boat you can get excited about. For one reason,

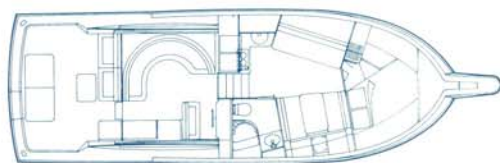

STANDARD LAYOUT WITH L-SHAPED SEATING.

options aboard this yacht aren't limited by its open bridge design. In fact, the 39 SX is everything you

expect to find on any Hatteras. . .disarmingly accommodating and decidedly comfortable.

In bridge seating, for example, you can start with the standard L-shaped seating arrangement. This is all-weather fiberglass seating with molded backs and removable cushions. Or you can choose the optional sport boat style seating arrangement featuring either curved or L-shaped, free-standing upholstered seating.

CURVED BRIDGE SEATING WITH AFT FACING LOUNGE IN THE COCKPIT.

With either layout, the helm station is placed to starboard. And, aft of the station, an optional bar with refrigerator and icemaker completes the entertainment style of the deck.

The cockpit is over 100 square feet, and includes a flush in-deck removable fish box and freshwater wash down. To add to the sportfishing experience, you can include a bait and tackle center with sink and storage. Or, for an additional gathering spot while cruising, the cockpit can be equipped with an aft facing lounge.

In the cabin, the accommodating nature of Hatteras is readily apparent to everyone. The galley is fully equipped and the lounge and dinette seating convert easily to berths. And, there is still plenty of

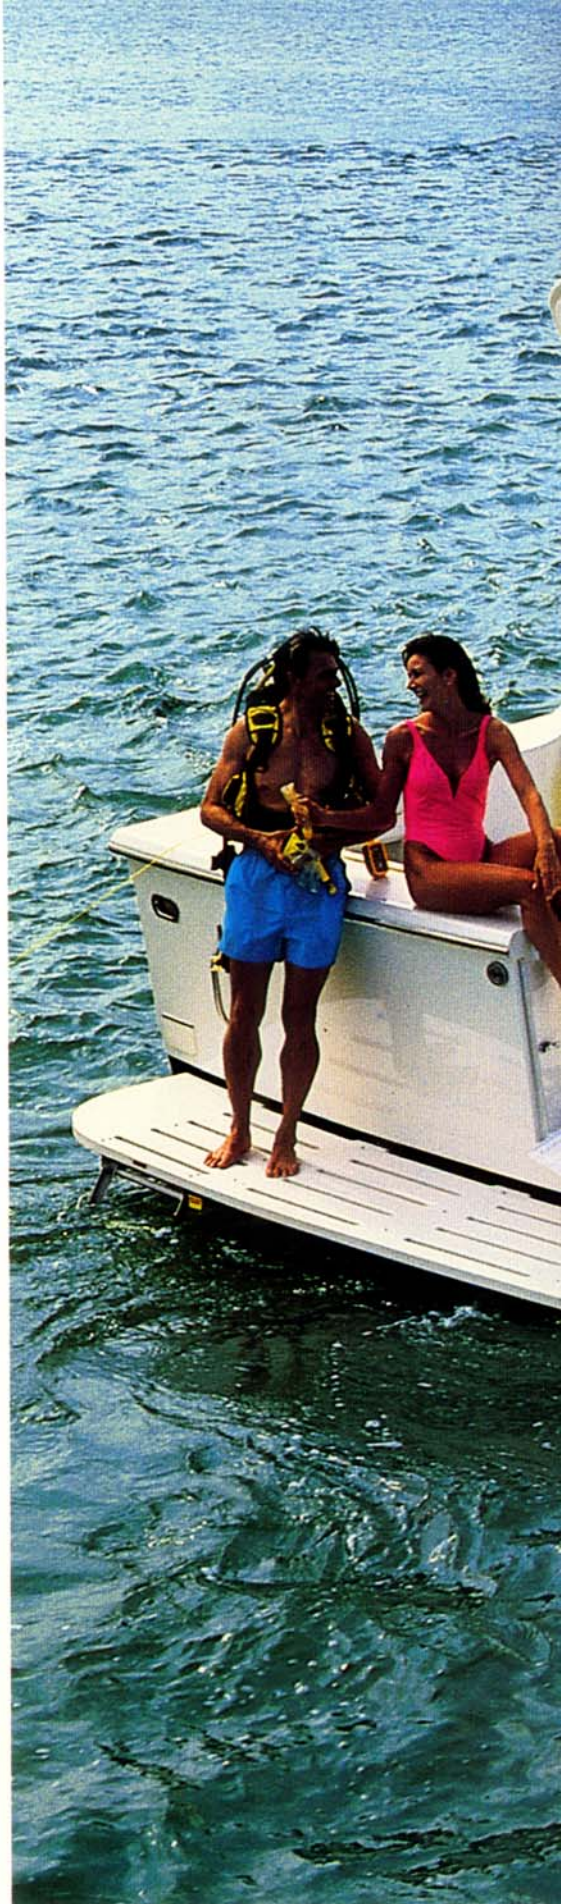

CENTER-LINE QUEEN BERTH AND EXPANDED LOUNGE AREA.

room for the private master stateroom and the full head with stall shower.

The Hatteras 39 SX is ideal for either comfort-

able cruising or exciting sportfishing. It's the ultimate yachting experience you've been seeking. For more on this exciting yacht, see your Hatteras dealer soon.
