

Hatteras

39 SPORT EXPRESS

THE NIBRAL PROPELLERS ARE CUSTOM BUILT FOR A LARGE BLADE-AREA-RATIO TO REDUCE BLADE EROSION AND IMPROVE PERFORMANCE AND FUEL ECONOMY.

ENGINE EXHAUST IS SIDE-DEFLECTED TO REDUCE FUMES AND SPRAY. THE LARGE MUFFLER AIDS IN QUIET OPERATION.

OUR CAD/CAM SYSTEM DESIGNS ALL TANKS, PLACING THEM AT THE LOWEST POSSIBLE POINTS FOR A LOW CENTER OF GRAVITY. ALL TANKS INCLUDE EXTENSIVE INTERIOR BAFFLING.

STANDARD COCKPIT GEAR INCLUDES A REMOVABLE FISH/STORAGE BOX, MOUNTING PLATE FOR A FIGHTING CHAIR AND A FRESHWATER WASH DOWN.

A HATTERAS SYSTEMS MONITOR WITH AUDIBLE AND VISUAL WARNINGS ON ALL VITAL FUNCTIONS AND AN AUTOMATIC HALON® FIRE CONTROL SYSTEM ARE STANDARDS ABOARD.

THE AFT-RAKING, WRAP-AROUND CURVED GLASS WINDSHIELD ON THE 39SX IS DESIGNED FOR OPTIMAL CRUISING COMFORT AND VISIBILITY.

THE SHAFTS ARE MACHINED IN-HOUSE AT HATTERAS FROM AQUALOY 22, A CHROMIUM-BASE STAINLESS STEEL ALLOY DESIGNED TO WITHSTAND TORQUE STRESS.

The Hatteras 39 Sport Express is a rare kind of yacht. It's everything you've always imagined you'd find aboard your first Hatteras, and much more.

Here in one masterful creation is a sensible and sensational statement of your love of yachting. A design that simultaneously demonstrates your deep respect for the waters of the world, and your undeniable passion to be out there on them. A design that reveals the depth of engineering expertise and quality that we put into every Hatteras yacht, as well as our world-renowned flair for elegance and style.

This yacht is smart and sexy. Casual and fun. Accommodating and comfortable. As easy to look at as it is to be aboard.

The 39 SX is a true Hatteras in all respects. Not the least of which is the advantages it gives you over other boats. Advantages like the modified-vee hull design that

delivers a sharp entry into heavy seas ensuring a stable ride. And the custom built and balanced propellers with reduction gears to produce consistent, all-weather performance from the engines.

Or the Dupont Imron® polyurethane paint on all its fiberglass surfaces above the waterline for better appearance and less maintenance.

It's what you'd expect from Hatteras in the way it expands, rather than limits, your

lifestyle options. For example, this open bridge deck boat is surprisingly versatile, offering layout options to enhance your live-aboard arrangements, whether they include cruising or sportfishing or both.

On the bridge deck, the 39 SX features three seating options. The standard layout offers an L-shaped lounge with molded backs and removable cushions, while the optional sport boat style layout has either curved or L-shaped, free-standing upholstered seating. With either arrangement, the helm station with electronics console is placed to starboard and is outfitted with upholstered bench seating. And aft of the station, an optional bar with icemaker completes the entertaining style of the deck.

THE FLEXIBLE DESIGN OF THE 39 SX READILY ADAPTS TO YOUR FAVORITE WATER SPORTS. ITS 103 SQUARE-FOOT COCKPIT FEATURES A WIDE TRANSOM DOOR AND CAN BE EQUIPPED WITH A SWIM PLATFORM FOR EASY ACCESS TO THE WATER.

THE STANDARD INTERIOR ARRANGEMENT PUTS THE DINETTE AND THE ENTERTAINMENT CENTER TO STARBOARD. SEATING IN THE DINETTE CONVERTS TO DOUBLE BERTH FOR ADDITIONAL SLEEPING QUARTERS.

AN OPTIONAL INTERIOR LAYOUT PLACES A QUEEN-SIZE BERTH ON THE CENTERLINE IN THE FORWARD MASTER STATEROOM AND MOVES THE LOUNGE AREA FURTHER AFT.

THE POWER OPTIONS ARE TWIN DETROIT DIESEL 4-71TI (RATED AT 314 SHP); CAT 3116 TA (RATED AT 340 SHP); CAT 3208TA (RATED AT 420 SHP); OR DETROIT DIESEL 6-71TI (RATED AT 465 SHP).

WITH TOWER AND OUTRIGGERS ABOARD, THE 39 SX PROVES TO BE A SUPERB SPORTFISHING MACHINE. IN THE COCKPIT, (SHOWN HERE TO THE LEFT), OPTIONAL EQUIPMENT INCLUDES A BAIT AND TACKLE CENTER WITH CUTTING BOARD, SINK AND STORAGE.

IN THE OPTIONAL LAYOUT, THE GALLEY IS MOVED TO STARBOARD AND THE PORTSIDE LOUNGE AREA IS EXPANDED TO FUNCTION AS BOTH A CONVENIENT DINING AREA AND COMFORTABLE SOCIAL SPACE BELOW DECKS.

IN THE STANDARD LAYOUT, THE PORTSIDE LOUNGE IS LOCATED DIRECTLY ACROSS FROM THE DINETTE AND CONVERTS TO FULL-LENGTH UPPER AND LOWER BERTHS. THE SAME LOUNGE LAYOUT WITH THE GALLEY TO AFT IS SHOWN ON THE FAR RIGHT PAGE.

THE HEAD ON ALL 39 SX LAYOUTS IS SITUATED TO STARBOARD AND INCLUDES A STALL SHOWER WITH SLIDING DOOR, AS WELL AS A SINK WITH EXCELLENT STORAGE SPACE BOTH ABOVE AND BELOW.

Just a few steps down from the bridge deck, the cockpit provides more than 100 square feet of fishing or cruising space. For fishing activities, the flush-in-deck removable fish box and freshwater wash down are standard equipment, while a bait and tackle center with sink and storage can be added. To add to your cruising options, an aft facing lounge can be specified for the cockpit.

Below decks, the 39 SX lives up to the Hatteras world-renowned reputation for using the best design and materials to provide the most in comfort and convenience.

The standard arrangement easily accommodates an abundance of live-aboard features. These include a fully-equipped galley with a two-burner cooktop, sink, refrigerator/freezer and microwave, as well as a dinette that converts to a berth. For cruising or lines-in relaxation, the 39 SX features a cozy lounge area which converts into upper and lower berths, and a complete entertainment center with color television, AM/FM stereo receiver and CD player. The head has a stall shower with sink and vanity, and is easily accessible from above decks or below.

The forward master stateroom promises the conveniences of home with a full-length double berth, cedar-lined hanging closet, and plenty of storage.

THE WALKWAYS AND DECKS OF THE 39SX ARE COATED WITH A DUPONT IMRON® NON-SKID FINISH WHICH USES POLYMERIC BEADS FOR IMPROVED FOOTING.

THE HULL IS SOLID FIBERGLASS BELOW THE WATERLINE AND ABOVE THE WATERLINE, CORED WITH DIVINYCELL FOR A HIGHER STRENGTH-TO-WEIGHT RATIO.

THE HULL IS FINISHED BELOW THE WATERLINE WITH A VINYLESTER RESIN GELCOAT CALLED BLISTERGUARD® TO REDUCE BLISTERING.

THE SUPERSTRUCTURE AND HULL ON THE 39SX, LIKE ALL HATTERAS MODELS, ARE LAMINATED AS A ONE-PIECE PART FOR STRENGTH AND CLEAN APPEARANCE.

THE 39SX USES THE HATTERAS "SHOE BOX" FIT BETWEEN THE HULL AND SUPERSTRUCTURE FOR IMPROVED INTEGRITY AND SEA-KEEPING QUALITIES.

THE HATTERAS HULL — TESTED, REFINED AND PROVEN TO PERFORM — PROVIDES A SHARP ENTRY AND A STABLE RIDE. THIS BOAT IS A COMFORTABLE ALL-WEATHER PERFORMER.

THE MOLDED-IN BOW PULPIT IS STANDARD EQUIPMENT; ONE-PIECE CONSTRUCTION PROVIDES GREATER STRENGTH.

The master stateroom can be fitted with a center-line queen-sized berth for additional closet and storage space. This layout expands the lounge area and places the galley to starboard between the master stateroom and the head.

No matter which layout you choose, above decks or below, the Hatteras 39 Sport Express will bring a new level of pleasure to your yachting lifestyle.

Today and for many years

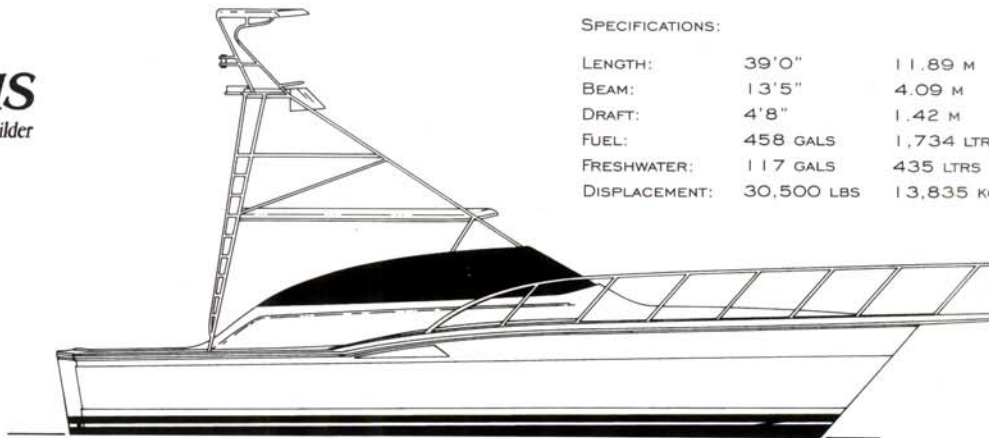

to come. For a personal introduction to this yacht, see your nearest Hatteras dealer soon.
