40 MOTOR YACHT  
42 COCKPIT MOTOR YACHT

.....

*Welcome to the  
head of the class*

If this is your introduction to Hatteras Yachts, welcome aboard.

Throughout this brochure, you'll quickly learn that the Hatteras 40 Motor Yacht and 42 Cockpit Motor Yacht are more than simply cruising yachts with a comfortable salon and galley.

They are, quite clearly, yachts of superior class and quality. They are convincing proof that the substance and style you've come to expect in your daily life is now also available to you on weekends.

40 Motor Yacht

.....

Both yachts are designed to enhance your quality time with family and friends.

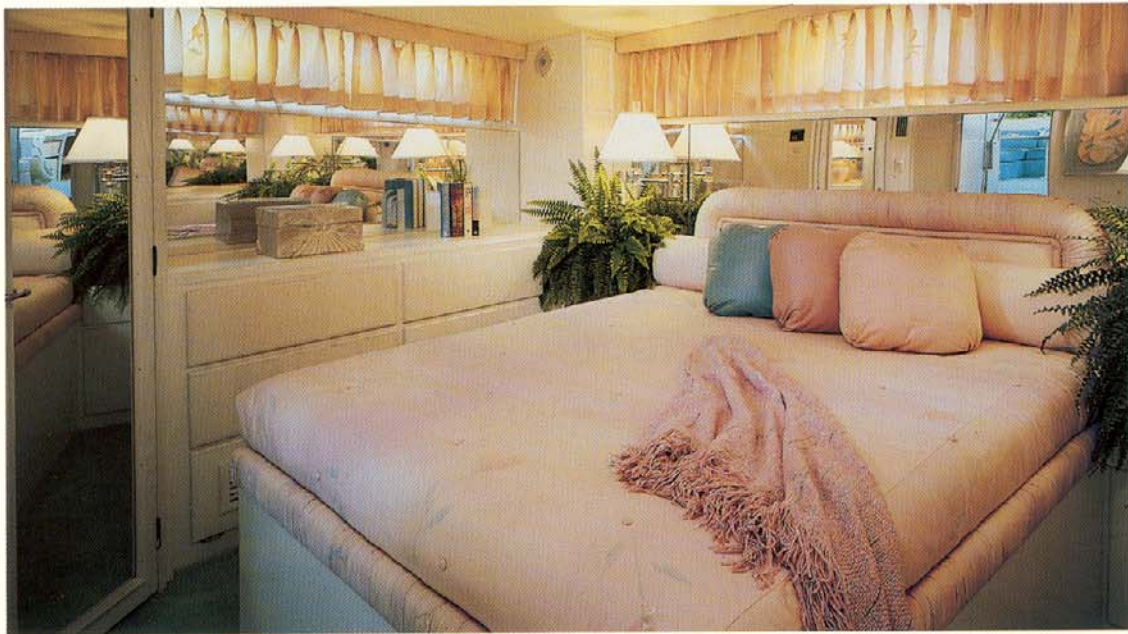

The flying bridge is an accommodating setting, with its forward helmseat and cushioned bench seating. The aft deck is another, providing more than enough space for a table, chairs, and never-ending feeling of relaxation.

And, of course, the 48-square-foot cockpit on the Hatteras 42 CMY adds the fun and games that come with access to the water.

Yet, as you read on, you'll discover quality time on a Hatteras is never merely a function of available space.

It's also about the quality of the comforts aboard.

From the salon looking forward, a dramatic skylight effect leads the way past the galley to the bow stateroom and forward head with shower. (40 MY shown.)

The master stateroom suite aft on the 40 MY has a tapered queen berth, cedar lined hanging locker, and a private head with stall shower.

.....

Life aboard a Hatteras yacht is all about enjoying life to its fullest.

To fill your senses with style and luxury. To bring comfort to mind and body. To accommodate the needs of your guests as easily as it does your own.

These are the rewards you can expect from the Hatteras 40 Motor Yacht and the 42 Cockpit Motor Yacht. Here, on either, is the level of live-aboard luxury you've long been seeking.

Legendary Hatteras quality surrounds you everywhere on board.

That is obvious the moment you enter the salon. This

is more than a large, comfortable living space; this is truly a space for living.

Yes, it is fully appointed in plush and tasteful furnishings, an L-shaped lounge with sleeper, coffee table, entertainment center, a dry bar and more. But it also is filled with small touches, used to grand effect.

In its attention to lighting and light, for example. By day, window treatments with lambrequins and mini blinds add an elegant, graceful style to the room.

At night, indirect, recessed soffit lights wash the salon in a cozy evening glow.

.....

The mastery of engineering also associated with Hatteras quality is evident, and equally unobtrusive. As quiet, in fact, as the whisper-soft air conditioning system.

The yachts feature two digitally-controlled a/c systems, including a separate thermostat in the master stateroom for your personal comfort, and another independent unit in the salon and galley for the comfort of everyone.

There are so many ways in which the Hatteras 40 Motor Yacht and 42 Cockpit Motor Yacht attend to your needs. So many ways in

which both define what is recognized the world over as Hatteras quality.

So indulge yourself in the luxurious layouts and decor. Relax knowing there are reliable, well-planned systems throughout. And take comfort from features like those you'd expect from the world's premier yacht builder.

On inspection, you'll discover all these Hatteras qualities and more.

For a personal tour of either of these superior motor yachts, contact the Hatteras dealer near you, or write Hatteras directly. We'd love to welcome you aboard.

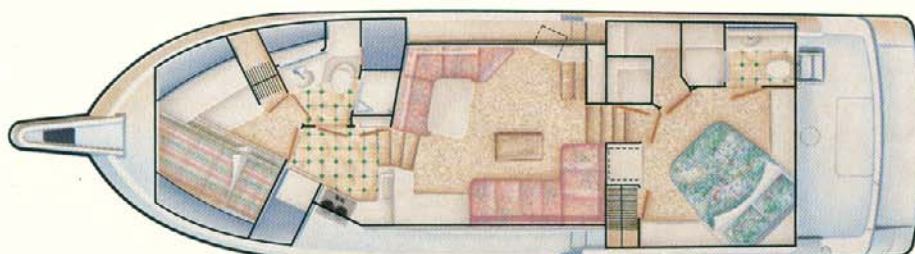

In the salon facing aft, you have access to the aft deck (and cockpit of the 42 CMY, shown here), as well as to the master suite with its lavish stateroom and private head.

The berth in the master stateroom suite, shown here on the 42 CMY, offers the benefits of queen-size accommodations, yet the stateroom maintains walkaround cabin space.

(Clockwise, from top left) The galley features a refrigerator with freezer, two-burner electric cooktop, microwave/convection oven, sink, and plenty of counter space and drawer storage.

The aft deck is ideal, serving as a relaxing daytime patio, as well as an *al fresco* dining area at night.

Of the two heads with showers, this is the large, private aft master head. The forward head may function as a private head to the bow stateroom, or as a convenient day head (42 CMY shown).

The view of the bow stateroom looking forward reveals a private and comfortable cabin with over-sized berths, abundant drawer and locker space, and a built-in settee.
