53 Yacht Fisherman

To please the hard to please, a motor yacht with versatility.

The 53 Yacht Fisherman is an evolutionary boat, designed to bring approving nods from experienced yachtsmen.

This versatile space-efficient cruiser is based on the most popular production yacht ever built—our 53 Motor Yacht.

So the 53 Yacht Fisherman has what you expect of a Hatteras motor yacht. Comfort. Functional design. Impeccable craftsmanship.

It also has the unexpected...a cockpit.

Traditionally a feature of sportfishing boats, motor yacht owners have discovered that a cockpit offers extra convenience and enjoyment.

The 53's all fiberglass cockpit offers easy access to the water, especially when fitted out with an optional swim platform and fold-down ladder.

Fishing, swimming, scuba diving and dinghy handling were never easier from a motor yacht. And the standard transom gate is just the answer for boarding and provisioning from low docks.

Large, airy main salon looking forward to control station. Complete with air conditioning, heat, stereo—and comfort.

Main salon looking aft through French doors to covered aft deck. From the deck, wide steps lead to convenient cockpit.

Galley is efficient "U" shape with excellent counter space and full complement of appliances.

Full dinette across from the galley. Seats 4 adults comfortably. A few steps up the curved staircase is the main salon.

To please the hard to please, two arrangements to choose from.

Bow stateroom head
with stall shower.

What's your preference? The 53 Yacht Fisherman is available with two staterooms (standard) or three staterooms (optional).

Whatever your choice, it's one you and your guests will be comfortable with.

Behind the hand-fitted, hand-finished rich wood doors and drawers in each stateroom is excellent storage.

And each stateroom has its own head. In the standard plan, the Master Stateroom has a tub/shower; the bow stateroom—its own stall shower. In the 3-stateroom plan, a stall shower is adjacent to the Master and Guest staterooms' heads.

You can also choose from a broad selection of tasteful materials, fabrics and furnishings. The Hatteras Interior Decorating staff is available to answer any questions you may have or assist in decorating and accessorizing.

In the end, you'll have a 53 Yacht Fisherman that is every inch a Hatteras.

And uniquely yours.

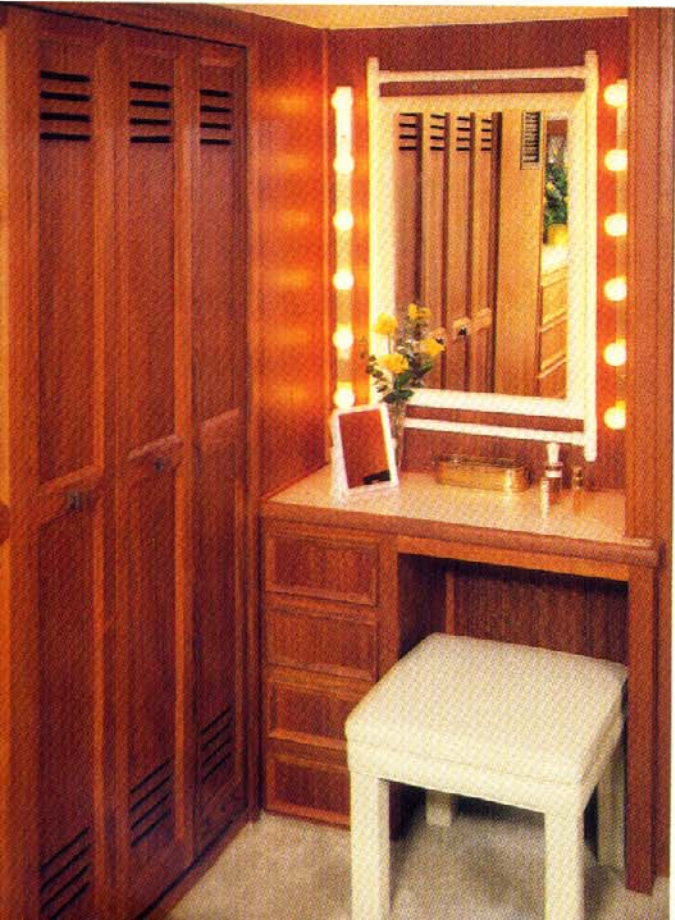

The Standard Floor Plan.

Includes two staterooms, each with its own head, and twin walk-in engine rooms.

Master stateroom's queen-sized berth, built-in chests and one of two full-length hanging lockers.

Master stateroom vanity and second full-length hanging locker.

Master stateroom lavatory with tub/shower.

Guest stateroom head and adjacent stall shower.

To please the hard to please, every inch a Hatteras.

What makes the 53 Yacht Fisherman a versatile cruiser is the carefully planned marriage of cockpit convenience to motor yacht comfort. What makes the 53 Yacht Fisherman a quality cruiser is Hatteras' dedication to sound naval architecture and excellence in craftsmanship.

Every Hatteras yacht is built not only for unparalleled luxury but for dependable operation and lasting value, year after enjoyable year.

And because of it, the 53 Yacht Fisherman is a great sea boat. Strong. Stable. Dependable. A Hatteras.

Your Hatteras dealer will give you all the details.

And when he does, then nothing but a Hatteras will please you.

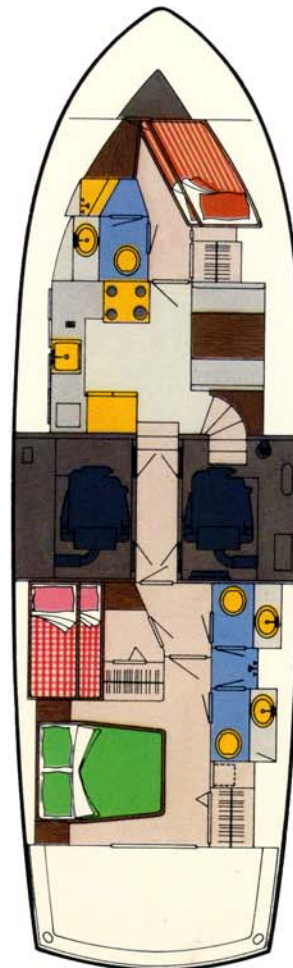

The Optional Floor Plan.

Includes three staterooms and heads, twin walk-in engine rooms.

Master stateroom with queen-sized berth, built-in nightstands and full-length hanging locker.

Master stateroom's head with stall shower.

Guest stateroom with over/under berths, built-in full-length hanging locker and nightstand.
