Hatteras

58 Cockpit Motor Yacht

It's Luxury Plus

Knowledgeable yachtsmen from around the world will find once again Hatteras has anticipated their demand for seaworthiness and luxury. Both qualities describe the character of the 58 Cockpit Motor Yacht.

Her sweeping lines are instantly recognizable as those of a classic. She has no peer in cruising and live-aboard comfort. Thoughtful design and careful execution are her hallmarks.

Our experience with an entire fleet of models over fifty feet has taught us that seaworthiness and luxury need not compromise each other. Unlike the "add-on" luxuries of many yachts, Hatteras luxuries enter at the design stage. They are rooted in function. A consideration in our basic design.

Thus, the 58 features a roomy cockpit for fishing or ease of boarding, a private wheelhouse, on-deck salon, walk-in engine rooms, and even a locker area planned for an optional washer/dryer.

Luxury plus function. These are the qualities which have earned for Hatteras its reputation as the world's premier yacht builder.

The Standard Floor Plan

includes 3 staterooms and 3 heads plus a full galley and dinette below-decks.

Top and left to right, bottom—are areas you'll enjoy with the Standard Floor Plan:

- Large, magnificently proportioned salon.
- Dinette seats 4 adults comfortably and is conveniently located across from the galley.
- Galley is efficient "U" shape with excellent counter space and full compliment of appliances and storage cabinets.
- Entertainment center at forward end of salon. Wet bar and stereo.

It's Flexible Plus

While the 58 Cockpit Motor Yacht is built to rigid design specifications, it's sensitive to yachtsmen's varying needs.

It's available with two arrangements. The standard plan includes three double state-rooms, a galley and dinette below, and a salon of unprecedented dimensions for a boat in its size class.

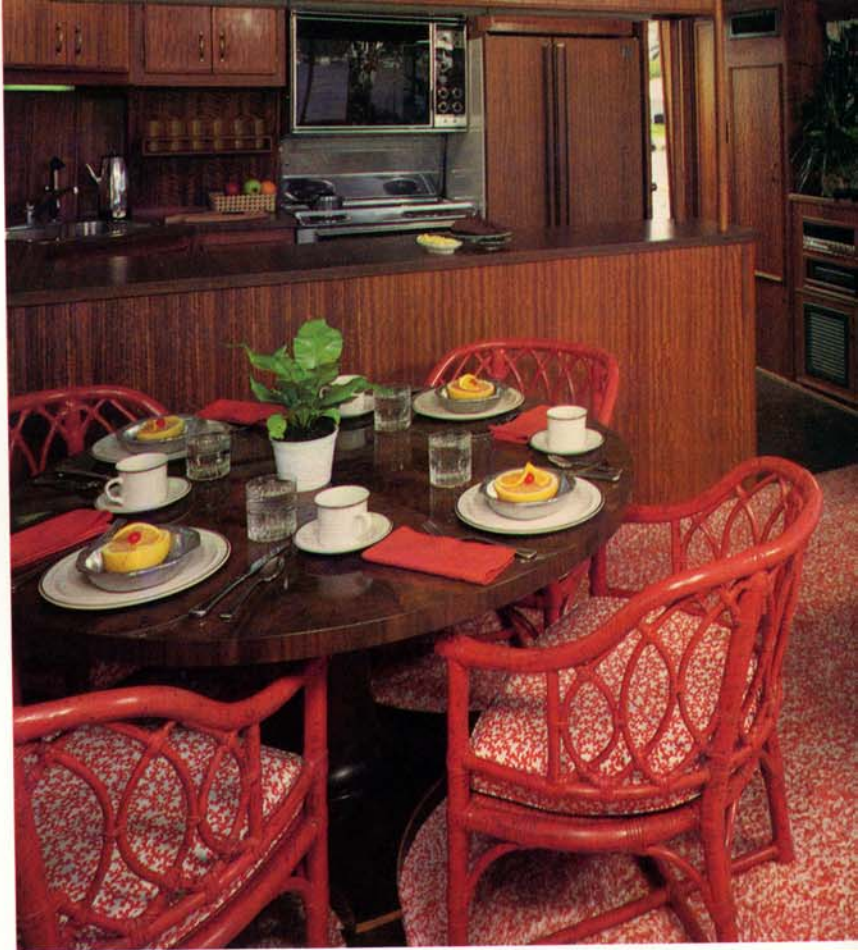

The alternate plan places the galley conveniently on-deck and provides four state-rooms, each with private head.

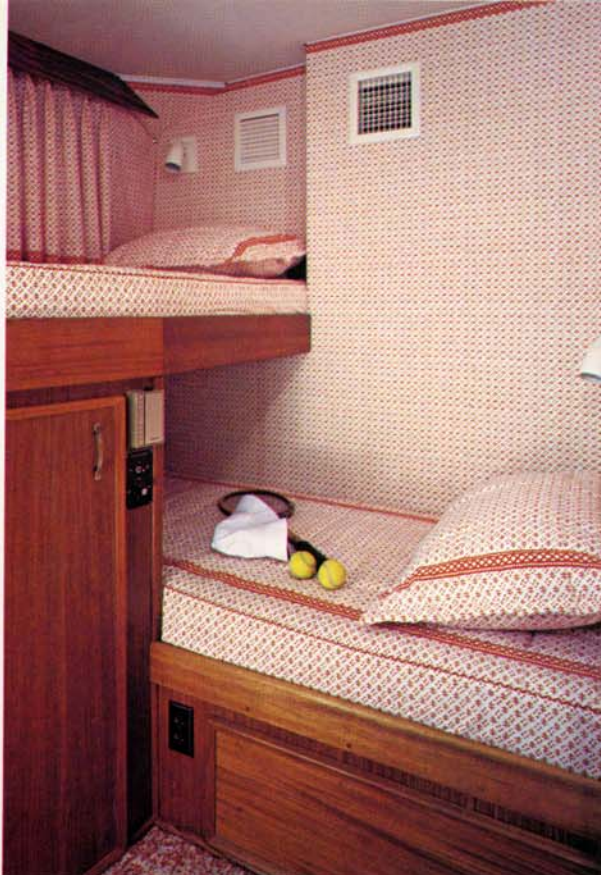

Moreover, a select list of optional equipment is offered to outfit your Hatteras as you like.

And, if you wish, the Hatteras Interior Decorating staff will show you a broad selection of materials, fabrics and furnishings; and assist you in blending them into a tasteful interior that reflects your preferences.

The Optional Floor Plan

includes 4 staterooms with heads, and a galley conveniently located on-deck.

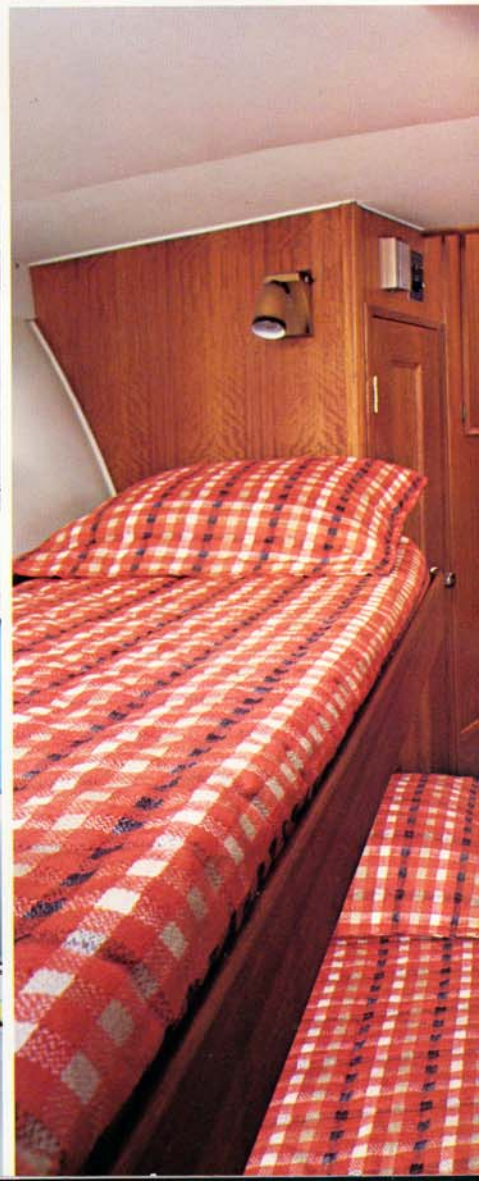

Left to right, top to bottom, are areas you'll enjoy with the Optional Floor Plan:

- Salon looking forward to galley. Nearly gunwale to gunwale width adds to the spaciousness.
- A fourth stateroom below (and fourth head) is yours in the deckhouse galley arrangement.
- Complete deckhouse galley has excellent storage in addition to apartment-sized appliances. Divider adds counter space while expanding the variety of furniture arrangements possible in the salon.

Left to right, top to bottom, are areas you'll enjoy regardless of your floor plan choice:

- ☐ Master stateroom looking aft toward queen-sized berth, built-in nightstands and storage chests
- ☐ Aft guest stateroom.
- ☐ Master stateroom's full length hanging locker.
- ☐ Bow stateroom looking aft.
- ☐ Aft guest head with stall shower.
- ☐ The pilot house unmistakably Hatteras in layout and visibility.
- ☐ Master stateroom's head and stall shower
- ☐ Bow stateroom head with stall shower.

It's Functional. Period.

Chance plays no part in the creation of the Hatteras 58 Cockpit Motor Yacht.

Her fiberglass hull and the many components and systems within are all skillfully designed and crafted.

The result is a great sea boat. Strong. Stable. Dependable.

It should come as no surprise to you that Hatteras is the choice of many experienced yachtsmen the world over.

It will come as no surprise to us that after you visit your Hatteras dealer, Hatteras is your choice as well.
