58 Motor Yacht

In a world that offers you more of the same, Hatteras offers you more of more.

The Hatteras 58 Motor Yacht was born of an obsession: the single-minded determination to out-Hatteras Hatteras.

The result is a fresh new look of greatness. The ideal combination of the classic and the contemporary, the perfect blending of the naval architect's science and the boat-builder's art, to rekindle the dreams of scores of yachtsmen who felt they had seen it all.

Its lineage is clearly Hatteras. Its heritage is definitely success. Its liveability is simply breathtaking.

From the moment you board, you'll never be bored. For here, at long last, is a motor yacht that tells you, in no uncertain terms, that you are in command of all you survey—and there's an abundance of sea-worthy riches to survey all about you.

The sea-proud lineage of the Hatteras 58.

Hatteras has never believed a yacht should be just a "condominium on water." Hatteras has *always* believed it takes a great sea-boat to make a great cruising boat. Putting first things first, the Hatteras 58 is a Jack Hargrave design, built on a fiberglass modified-vee hull, double-chined for an 18' 2" beam. It's strong and quick, maneuverable and smooth, to cut through seas with ease and grace.

You wouldn't want it any other way. And any other way, it wouldn't be a Hatteras.

The heritage of success.

Everywhere you look at the Hatteras 58 (and the more closely you look, the better) you'll find new design elements and a Hatteras eye for detail commonly associated with custom yachts. Careful, solid construction, styling refinements, conveniences you'll cherish at sea as well as in port—they surround you in new, yet 100% true, Hatteras fashion.

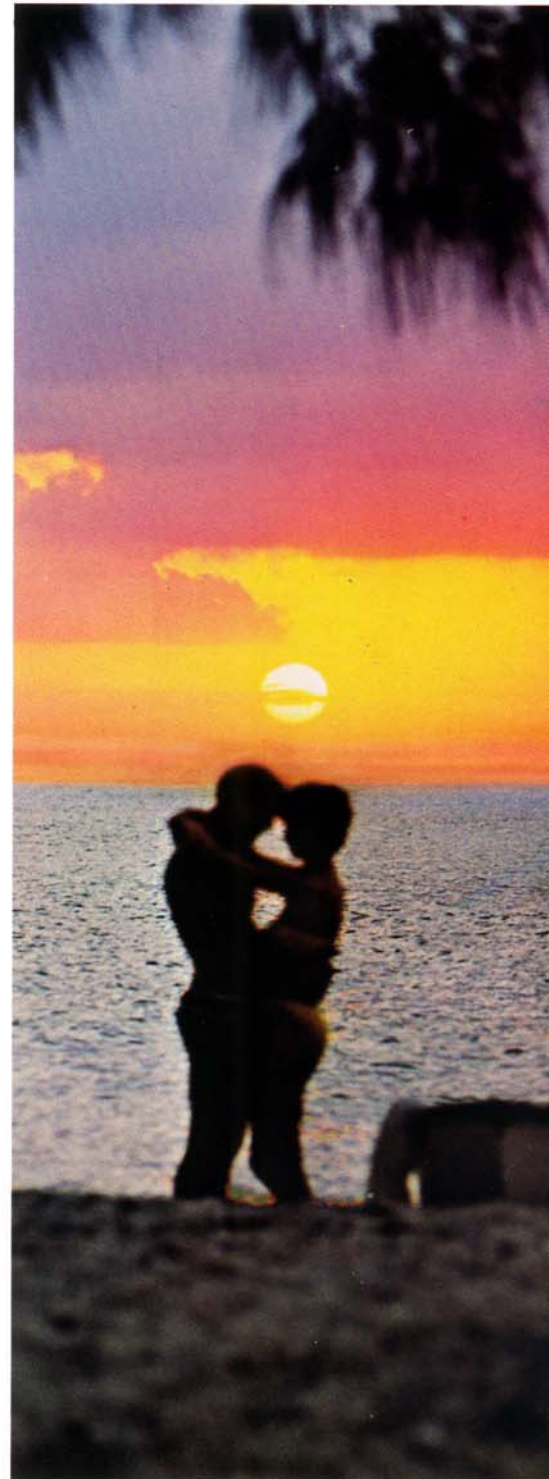

But perhaps the three most striking things about it—from the spacious aft deck and salon to three staterooms below—are living space, living space, living space!

The deckhouse of the Hatteras 58, for example, measures 20' x 12', with large tinted windows for extraordinary visibility.

First, of course, you'll discover the large covered aft deck area, protected by wing doors and side windows, with ladder access to the flybridge, and a large wet bar that includes a household-size ice maker, glass and bottle storage, and a unique extra storage compartment for extra pleasures. (On your Hatteras 58, we don't consider first-class features as optional.)

Now you're ready for the salon. If any single word can describe it, that word is *immense*.

Here you'll find a fresh, new kind of Hatteras craftsmanship, with refined interior finishing of fine woods, curved bulkhead corners, beautiful laminations. The bulkhead arrangement easily accommodates a variety of home seating styles, and it's ideal for the kind of decorating you've always had in mind. Even the air conditioning has been designed for

right to you as
Hatteras can.

your maximum comfort and maximum space in the salon. You'll relish the clean, open look of your living room at sea, perfect for cruising, wonderful for entertaining, magnificently designed to make life aboard the only way to live.

What's more, the salon is skillfully separated from the full control station forward by a divider with built-in helmsman and companion seat, along with an AM/FM stereo receiver in a cabinet that has space for your TV and VCR.

Below decks, a whole new world.

The Hatteras 58 Motor Yacht is, in every sense, your dream come true.

The galley is a jewel, the hearty part of your Hatteras experience. Fully equipped with both the amenities and the necessities: side-by-side refrigerator/freezer, four-burner range, oven, dishwasher, food processor, and a garbage disposal, all comfortably arranged and sensibly designed for practicality as well as flair. There's even room to build-in an optional microwave oven. On the starboard side, a dinette with seating for four, close at hand.

The master stateroom equals those found in boats 20 feet larger. It features a generous curved lounge, queen bed, spacious dressers, nightstand, vanity—even a walk-in cedar-lined closet. Your own private head is contemporary and refined, completely air-conditioned, and has a full-size bathtub with shower, and linen storage. For second-home luxury, there's no place like Hatteras.

The guest stateroom treats your guests in true Hatteras fashion, with the kind of accommodations that let them know they're not an afterthought. Twin berths with nightstand and a full hanging locker . . . good-sized drawers . . . and a private, air-conditioned guest head with

a separate stall shower. (Be prepared for your guests to stay awhile! They might never leave.)

The private bow stateroom features upper and lower berths, an ample dresser and full hanging locker. Here, too, is an air-conditioned private head featuring a full-size stall shower.

Most comforting of all, she's all Hatteras.

In every detail, in every design nuance, from the clean fresh look of spacious elegance to the commanding sea-worthy character to the overall capabilities of the Hatteras 58, we never forget the reasons you buy a Hatteras. That's why the mechanical and electrical systems are engineered in true Hatteras fashion; why every inch meets the exacting specifications of Hatteras engineers.

Because at Hatteras, "good enough" isn't good enough. It takes more to give you, your family, and your guests both the sense of pride and the sense of purpose that make a Hatteras a sound investment from the moment you own it.

You owe it to yourself to see your Hatteras dealer for a personal tour of the Hatteras 58.

◀ Salon facing forward—Brilliantly conceived with enormous space for entertaining. Rich woodwork, decorative fabrics, carpeting, tinted safety glass, and sliding side windows all add to the elegant atmosphere.

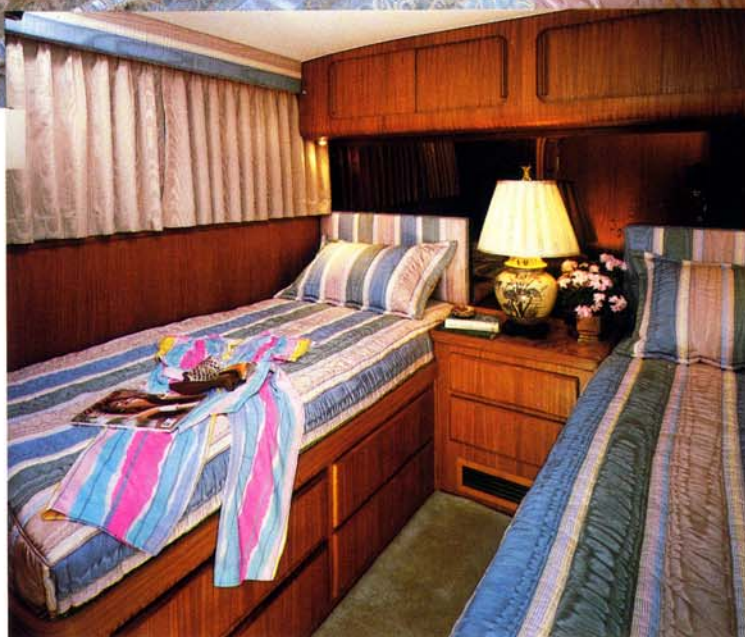

▲ Combination room divider/riding seat with entertainment center. AM/FM stereo receiver and extra storage space are standard equipment. And there's ample room to add your own television and other entertainment equipment.

Master Stateroom epitomizes the Hatteras concerns for luxury, privacy, and fine function. The art of expert woodworking is evidenced in the rounded corners. Living room is increased, and additional seating is provided by a built-in lounge that fits snugly beside the queen-sized berth.

Master Head—Adjacent to the master stateroom, it comes with a full-size tub and shower, lavatory, mirrored medicine cabinet, and commodious linen lockers.

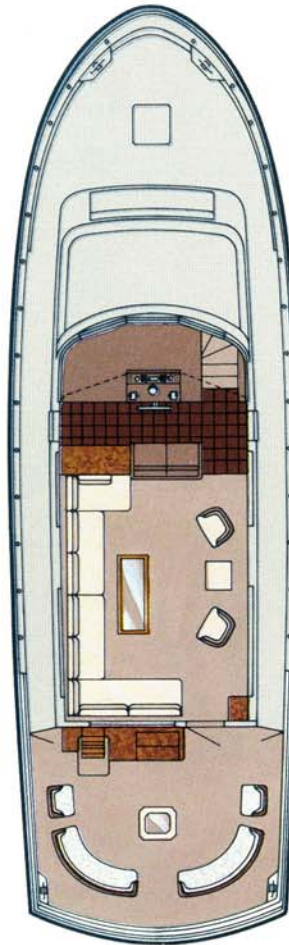

Guest Stateroom will make your company feel right at home. There's more than enough storage under the twin berths. The hanging locker, nightstand, and overhead storage cabinets add those exceptional Hatteras touches. There are even stereo speakers with volume control for your guests' pleasure.

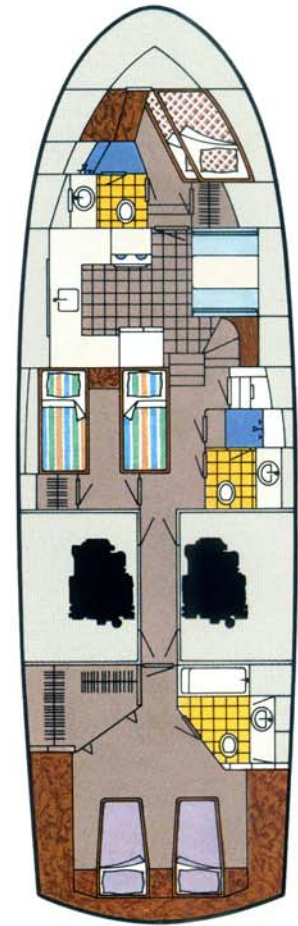

Bow Stateroom with storage under berths, dresser and access to its own private head.

Master Stateroom with huge built-in dressers and walk-in cedar-lined wardrobe closet. There's room enough for his and her wardrobes for every occasion, no matter how long you're dock-side or out to sea.

Upper Deck arrangement with spacious salon and aft deck shown.

Floor plan with optional twin berth/master stateroom arrangement.

Dinette designed for four, with storage underneath and stairs leading to the salon, keeping your guests within a few easy steps of the salon.

The Galley is extraordinarily spacious, built to please the most particular chef. Vinyl flooring, high pressure laminate countertops and cabinets, full-size refrigerator/freezer with ice-maker, garbage disposal, dishwasher and 4-burner range with oven are all standard on this airy, brightly lit galley.
