## NOTES TO SPECIFICATIONS AND EQUIPMENT

- (A) Right is reserved to make changes at any time, without notice, in prices, material, specifications and equipment. Orders are accepted subject to prices prevailing at time of shipment. Orders requesting any material and/or equipment which differs from that selected by Hatteras as standard or optional for this model will be considered a custom change and will require additional charges. Prices shown for many options may apply only if ordered prior to start of production. Once production begins, orders for such options may require additional charges due to non-standard installation requirements and/or lead times. In order to show equipment size and location, line drawing may include some optional items. Specifications, standard equipment and optional equipment effective with boats sold at August 1, 1994 through July 31, 1995 Hatteras Base Prices. Prices are quoted in U.S. dollars.
- (B) Length overall does not include the swim platform or bow pulpit.
- (C) Weight, draft, freeboard and height are based on an estimate of model's displacement with largest engines available. Weight is estimated with fuel, holding and freshwater tanks half filled. Draft and freeboard are estimated with all tanks filled. Heights are estimated with all tanks empty. Actual figures will vary depending on production tolerances, equipment, supplies and stores on board, as well as operational and sea conditions. Capacities of tanks are estimated to be total capacity of all tanks normally furnished in this model. Usable capacities will vary depending upon conditions.
- (D) Generator is not intended to supply power to all standard and optional accessories. Load must be limited to generator output rating.
- (E) One set of sheets includes: one bottom sheet, one top sheet, pillowcase(s).
- (F) Option must be ordered prior to start of production. Price shown reflects cost of scheduled installation requirements. A late request for this option will require an additional charge.
- (G) Extended seating eliminates space for dinghy.
- (H) Includes 2 qts. A.T. fluid, 1 case oil, assortment of screws, bulbs and fuses, deck mop and brush, bucket, hose, nozzle, 4 fenders, 1 set filters, belts, impellers and solenoids for main engines, 1 set of filters and impellers for generator(s).
- (I) Includes fuel filters/water separators and oil changing system.
- (J) This model is for use with chain and includes 300 ft. of 3/8" Acculoy chain.
- (K) Storage location and installation not included.
- (L) Depending upon component(s) selected, cabinet may require modification; however, modification may not accommodate all components offered.

## Hatteras Limited Warranty

1. THERE ARE NO EXPRESS WARRANTIES ON PRODUCTS MANUFACTURED BY HATTERAS YACHTS, EXCEPT THAT The Company will, through its selling Dealer, replace or repair, at the Company's option, any part (except as hereinafter provided) which is proven to its satisfaction to have been defective at the time of delivery to the first owner, and which defect is discovered within twelve months from the date of delivery to the first owner, if the part is returned, transportation prepaid, within thirty days after the defect is discovered, to the Dealer or to such other point of manufacture as the Company may designate.

In addition, the Company will, through its selling dealer, repair any hull which is proven to its satisfaction to have been defective at the time of delivery to its first owner and which defect is discovered and reported within (5) years from the date of delivery to the first owner.

2. This warranty shall not apply to:

- (a) The cost of removal or reinstallation of part, or disassembly or reassembly of the unit of which it is a component.
- (b) Varnishes, gelcoats, paints, fabrics, chromium plated and stainless steel finishes, because of the varying effect resulting from different climatic and use conditions.
- (c) Products not of the Company's manufacture. Any warranty provided by the manufacturer will be passed on to the owner if possible.
- (d) The installation of any equipment by a Dealer or other installer.
- (e) Racing boats or engines.
- (f) Speeds, fuel consumption and other performance characteristics because they are estimated and not guaranteed.
- (g) Conditions resulting from misuse, abuse, negligence, alteration or lack of performance of normal maintenance.
- (h) Others than the first owner.
- (i) Boats that are used in commercial, charter, or military activities.

3. THE WARRANTY PROVISIONS SET FORTH ABOVE ARE EXCLUSIVE AND ARE IN LIEU OF, AND COMPANY DISCLAIMS, ANY AND ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, WHATSOEVER INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES UNDER THE UNIFORM COMMERCIAL CODE, ANY IMPLIED WARRANTY OF MERCHANTABILITY AND ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE. THE REPLACEMENT OR REPAIR OF DEFECTIVE PARTS AS STATED ABOVE IN THIS WARRANTY SHALL BE THE SOLE AND EXCLUSIVE REMEDY OF ANY PERSON AND SHALL BE THE SOLE LIABILITY OF THE DEALER AND THE COMPANY UNDER THIS WARRANTY AND ANY IMPLIED WARRANTIES WHICH ARE NOT DISCLAIMED HEREIN. THE COMPANY OR ITS DEALER SHALL NOT BE LIABLE UNDER ANY CIRCUMSTANCES FOR LOSS OF TIME, INCONVENIENCE, LOSS OF USE, OR FOR ANY OTHER INCIDENTAL, SPECIAL, CONSEQUENTIAL OR INDIRECT DAMAGES.

Some states do not allow limitations on implied warranties or in the exclusion of incidental or consequential damages, so the above limitation on the exclusion of implied warranties and exclusion on incidental and consequential damages may not apply.

4. THIS WARRANTY IS EXPRESSLY IN LIEU OF ANY NON-CONTRACTUAL LIABILITIES, INCLUDING PRODUCT LIABILITIES BASED UPON NEGLIGENCE OR STRICT LIABILITY.
5. THE DEALER IS NOT THE AGENT OF HATTERAS YACHTS. The Company does not authorize the Dealer, or any other person, to assume for the Company any liability in connection herewith or any liability or expense incurred in the repairing of its products other than those expressly authorized herein. THE DEALER MAY NOT EXTEND, OR IN ANY WAY CHANGE OR AMEND, THIS EXPRESS WARRANTY.
6. The Company reserves the right to improve its products through changes in design or material without being obligated to incorporate such changes in products of prior manufacture.
7. You may secure performance of warranty obligations hereunder by:
- (a) Oral or written communication with the Hatteras Dealer from which you purchased the boat, making an appointment to have the Dealer examine your Hatteras boat.
  - (b) Delivering your Hatteras boat to the selling Hatteras Dealer for his examination.
  - (c) In certain cases the Dealer is authorized to complete Hatteras Limited Warranty obligations unilaterally, and in others he must receive authorization from the Hatteras Service Department. The Dealer is obliged to follow whichever course is appropriate.
  - (d) Upon completion of Hatteras Limited Warranty obligations, the Dealer will notify you of the availability of your Hatteras boat for your pickup.
  - (e) Major mechanical components, such as engines, generator sets, electronics, appliances, and air conditioning, for example, are warranted by the manufacturer of the component. They have authorized service dealers in most major boating markets. Your Hatteras Dealer will identify such service dealers upon request.
8. Any other communications necessary in connection with this warranty should be sent to the following address:
