# UNRIVALED ACHIEVEMENT

In almost every sport, the day now belongs to the super athlete: larger, stronger, and seemingly defying the laws of human physics. He is swifter and more agile than the rest; his standards of performance and achievement unrivaled.

The Hatteras 60 Convertible is this superstar among sport fishing boats. Wherever you look she has the size. Her cockpit alone is about 175 square feet. The beam is a generous 18 feet. Her engine room boasts up to six-foot-plus overhead. And the utility room offers space for a household-sized upright freezer, washer/dryer and lots of storage.

If you could watch her in action you'd see her seaworthiness, feel her strength and grace.

With all this, she gives up none of the power and responsiveness that Hatteras convertibles are known for.

To those new to big game fishing, the Hatteras 60 is merely magnificent.

To those experienced in the sport, she is the unrivaled superstar.

Hatteras unfolds the luxury in this wide, magnificently proportioned salon. Convenient, attractive rod locker, (optional), next to entry door.

Entertainment center at forward end of salon. Standard wet bar, ice maker, stereo AM/FM radio.

## UNCOMMON LUXURY

Each Hatteras convertible for nearly two decades has offered its owner excellent fish-fighting capabilities and luxurious living quarters.

And the 60 does so—only more so.

Inside, you'll find more space than you're probably accustomed to in a fishing machine. And more accommodations.

Major features standard with the 60 are comfortable salon, on deck galley and dinette, spacious flybridge. And three staterooms each with private head.

To make our super 60 your super 60, Hatteras makes available options which meet its high standards of performance, dependability and comfort.

From the fully-enclosed, air-conditioned flybridge pictured here, to selection of electronics and fishing gear, you call the shots to make her your own "custom" yacht.

Optional fully-enclosed, air-conditioned flybridge with complete control station forward—there's also a fishing station aft.

Efficient U-shaped galley with full complement of appliances and excellent storage/counter space.

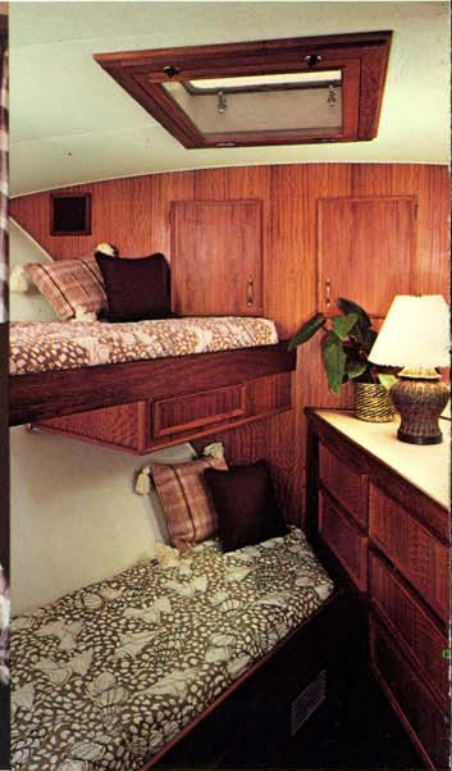

Dinette seats 4 comfortably and is conveniently placed across from the galley.

A cockpit to make your day's fishing more enjoyable: entry door to stand-up engine room and utility room. At left, optional bait center with freezer, sink, ice-chest and tackle storage.

Master Stateroom looking aft toward queen-sized berth.

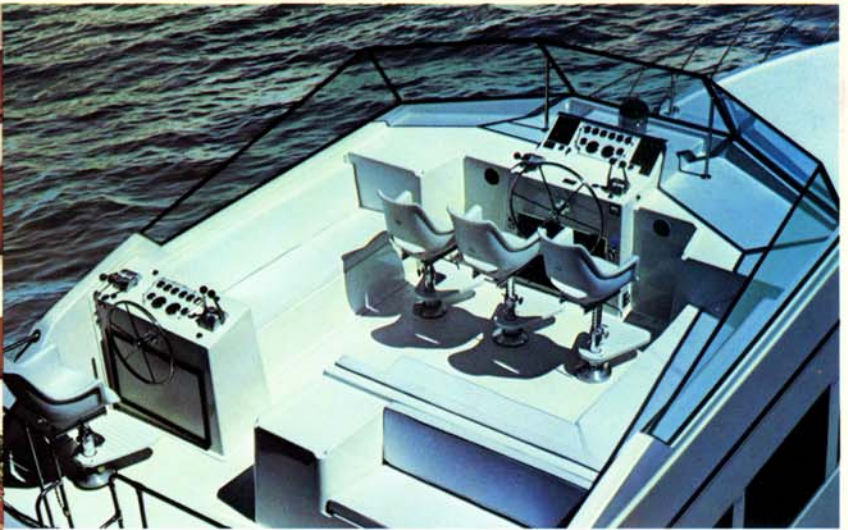

Bow Stateroom includes storage under lower berth, built-in dresser and ventilating hatch to foredeck.

Master Stateroom's head with stall shower and large, mirrored medicine chest.

Bow stateroom's head and stall shower.

Guest Stateroom with built-in nightstand, storage under lower berth, hanging locker with automatic light, stereo speakers with volume controls.

Standard open flybridge with complete control station forward, fishing station aft, lots of seating and storage area.

Guest stateroom's head with roomy stall shower.

## UNMISTAKABLY HATTERAS

Dependability is one quality that's made Hatteras convertibles among the most sought after boats, new and used, year after year.

We believe dependability to be the mark of a great sea boat.

For that reason, you'll find dependability reflected anywhere you look in the Hatteras 60 Convertible. From its fiberglass hull and superstructure to its rugged machinery installations and through all its many components and systems.

It's with a great deal of pride that we put the Hatteras signature on this Convertible.

After you've seen your Hatteras dealer and inspected it, down to the last detail, we think you'll be proud to put your name on the 60 Convertible, too.
