Hatteras

61 Motor Yacht

**It says as much about
your standard of living
as it does about your
standard of boating.**

Everything about the Hatteras 61 says that its owners are not given to compromise.

The sweeping shear of its handsome, "double-chine" fiberglass hull says so.

The scale of its flybridge and bridgedeck says so.

But nothing says it more emphatically than the 61's beam of 18' 2" and the astounding space inside.

It's truly a home on the water. A luxurious penthouse. The family boat for a large family. Executive headquarters.

Of course, everything about the 61 also speaks volumes for the thought and care Hatteras puts into

her creation.

For instance, occupants of each stateroom may adjust the air conditioning and heating to their comfort. The exhaust system is especially quiet because of Hatteras built mufflers. The generator room has the breadth and headroom to easily take the boat's two banks of batteries and still have space for an optional second generator.

This concern for comfort and operating ease is what makes the 61 Motor Yacht a Hatteras.

And makes Hatteras the choice of experienced yachtsmen everywhere.

Opposite page:

Penthouse-sized salon and aft-deck beyond. We've arranged the salon shown here for two conversation areas and a more formal dining area. And there's still uncramped walk-around space.

Multi-faceted entertainment center in salon. Houses AM/FM stereo receiver, T.V. cabinet with sliding doors, wet bar with ice maker, storage for bottles and glasses.

This page:

On-deck galley and window as seen from dinette area. Large. Complete. You can do here what you'd do in your kitchen at home. Including, on occasion, turning it over to caterers. May be closed off from both salon and pilot house by privacy doors.

Dinette is across from galley. Seats four adults comfortably with storage underneath.

Pilot house with cruising seat for three on aft bulkhead, easy sliding doors to side decks, ladder to optional flying bridge and ready for electronics installation.

Opposite page:

Master Stateroom. It's the only stateroom aft of the engine rooms. Built-in dressers, book shelves, night stand—all of rare imported wood, hand fitted and hand finished in the Hatteras manner.

Master Stateroom's built-in vanity table with large mirror and built-in make-up lighting.

Master Head. Large, as befits the stateroom. First class components and workmanship, as with every Hatteras.

Master Stateroom's walk-in, cedar-lined wardrobe.

Full-sized tub and shower of Master Head.

This page:

Aft Guest Stateroom. Comfortable. Tasteful. Says "welcome" to your guests as only Hatteras' carefully considered accommodations can.

Aft Guest Head with shower, effective exhaust blower, mirrored medicine cabinet.

A linen and laundry center in the aft companionway is convenient to all staterooms. Included are linen locker, clothes hamper and extra storage locker. Optional washer/dryer is available.

The magnificent interior depicted here shows you how completely the Hatteras 61 Motor Yacht can meet your space requirements.

The salon, for instance, is so large it makes many furniture arrangements possible. Your only concern may be for having several comfortable, conversation areas. Or you may wish to reserve an area of the salon for more formal dining. Whatever your wants, a salon of this size can satisfy them all.

To help you take advantage of all this space, Hatteras makes available the skills of its discriminating Interior Decorating Staff. And a broad selection of the latest and the best in decorating fashion.

The 61 is immediately identifiable as a Hatteras: it's a classic-lined beauty, with rare wood cabinetry hand-fitted and hand-finished, and all the marks of a great sea boat.

We look forward to helping you make the 61 immediately identifiable as yours.

Opposite page:

Bow Stateroom. Built-in dresser with drawers. Upper and lower berths with more storage under lower. Plus full-sized hanging locker.

Forward Guest Stateroom. Wide cross-over berths with 6 drawer storage under upper berth. Additional storage under lower berth and in hanging locker. Stair visible through doorway leads up to pilot house.

Second dinette in forward companionway, opposite forward Guest Stateroom. Great for guests or crew. Convertible to double bed. Optionally, area may be re-planned if a second dinette is not wanted.

This page:

Bow Head with stall shower. China lavatory, frosted ventilating portlights and screened opening hatch. 120 volt lighting and duplex outlets, as in all heads.

Forward Guest Head is compact yet complete. Shower with curtain. Molded fiberglass unit includes lavatory and cabinet.

No other yacht of 61 feet (or even one considerably larger) will give you more living space than this, as luxuriously appointed as this.

Four staterooms; four heads; deep, walk-in, cedar-lined wardrobe; large salon; large galley with adjoining dinette.

Nor will any other say as much about your standard of living.

And, as for your standard of boating, the fact that it's a Hatteras says it all.

Your Hatteras dealer will be pleased to answer any questions you may have. See him soon.
