

Hatteras

68 MOTOR YACHT
PRELIMINARY

Maximum accommodations and a working office characterize the new Hatteras 68 Motor Yacht.

Hatteras Yachts has introduced a new 68' Motor Yacht that offers a unique below-deck layout with a standard four-stateroom, four-head layout, complemented by a study/office. This business-like feature, in addition to standard office furniture, has been specially designed to easily accommodate modern needs such as a satellite communications center and on-board computer work station.

The 68 Motor Yacht is especially designed to meet the needs of the live-aboard yachtsman: the optional layout of this outstanding motor yacht offers five staterooms and five heads.

Exceptional luxury in the living areas below.

The master suite has a queen-size bed, a built-in vanity, his-and-her dressers and walk-in

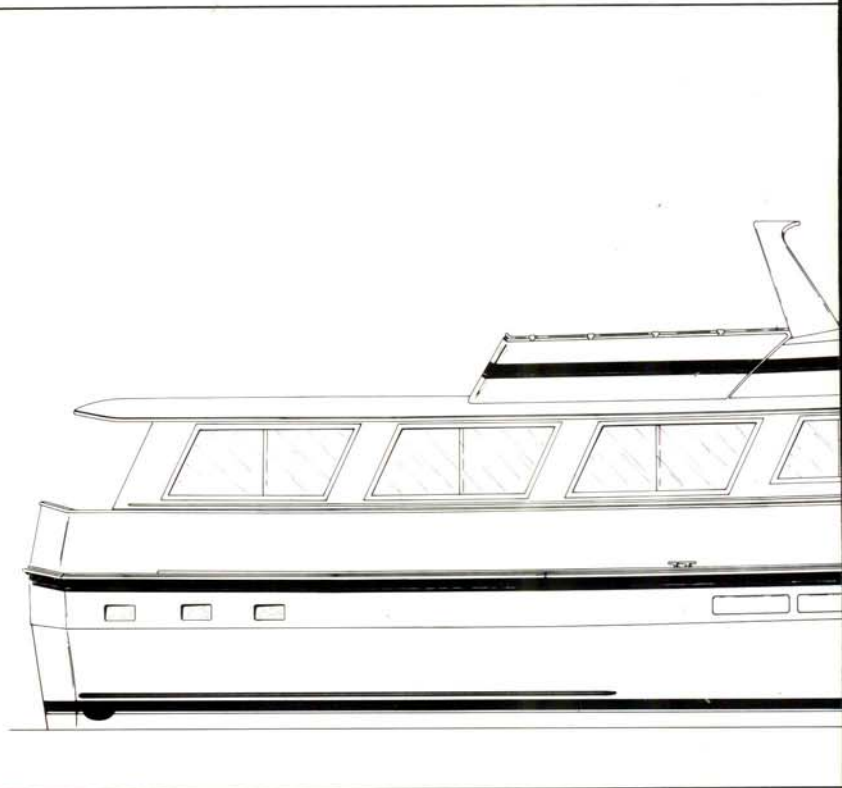

wardrobe. The owner's accommodations are accessed by a stairwell from the salon. The private master head also features a deluxe whirlpool bath with shower.

In the standard layout, the study/office is located just forward of the master stateroom, featuring a built-in desk/credenza with drawers and the necessary space for a modern office communications system. In the optional layout, this area accommodates a guest stateroom with crossed upper and lower berths with private head.

Standard Arrangement

Optional Arrangement

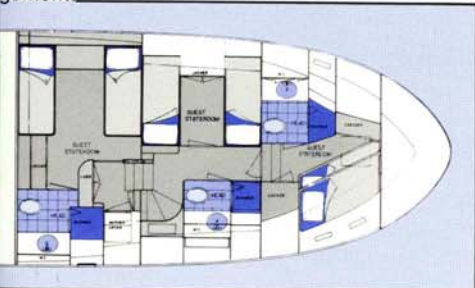

R YACHT

All other guest accommodations are forward of the engine rooms, accessed by a stairway from the pilot house. A guest suite offers a standard tapered queen berth or optional twin berths, along with a private head with stall shower.

In addition to the guest suite, there is a guest stateroom with twin berths, and an adjoining head with stall shower that also serves as a day head. A crew stateroom at the forepeak has upper and lower berths and a private head with stall shower.

gement

Comfort and convenience above.

On the main deck, the enclosed pilot house gives access to the flying bridge, side decks and the galley area. Included in the galley

space is a U-shaped dinette with ample seating.

The spacious salon measures nearly 25 feet in length, providing for comfortable dining and lounging areas. At the forward end of the salon is a built-in entertainment center, complete with AM/FM stereo receiver and cassette deck. A wet bar with icemaker is also included.

Power in the new Hatteras 68 Motor Yacht is furnished by twin GM 12V-71TI diesels rate at 775 S.H.P. each, which will provide a cruise speed in the 18-19 knot range.

The 68 Motor Yacht joins the expanding line-up of Hatteras motor yachts, which currently numbers thirteen models over fifty feet.

Hatteras

SPECIFICATIONS

Length	68'10"	19.5 m
Beam	18'2"	5.5 m
Draft	5'0"	1.5 m
Fuel*	1,170 gals	4,430 ltr

Capacities of tanks are estimated to be total capacity of all tanks normally furnished in this model. Usable capacities will vary depending upon conditions.

WHAT MAKES A HATTERAS A HATTERAS?

On the waters of the world, Hatteras yachts are renowned as an ultimate achievement in the art of boat-building.

A reputation such as this is no accident. It results from steadfast dedication to design, manufacturing and service excellence. Quality craftsmanship, thoughtful attention to detail and carefully considered innovations in design are all part of the equation. Above all, Hatteras seeks to create a product that rewards those who love life at sea.

From the hands at Hatteras to you . . . the yachts that set the standard . . . and then raise it even higher.
