**75 COCKPIT  
MOTOR YACHT**

**Model Year 2001**  
Effective August 1, 2000  
through July 31, 2001

## 75 COCKPIT MOTOR YACHT<sup>(A)</sup> Specifications

Length Overall <sup>(B)</sup> .....	76'4"	.....23.27 m
Beam .....	18'2"	.....5.54 m
Draft <sup>(C)</sup> .....	6'0"	.....1.83 m
Freeboard Forward <sup>(C)</sup> .....	8'9"	.....2.66 m
Freeboard Aft <sup>(C)</sup> .....	5'3"	.....1.52 m
Headroom Most Areas .....	6'7"	.....2.01 m
Freshwater Capacity <sup>(C)</sup> .....	345 Gals	.....1,311 ltr
Fuel Capacity <sup>(C)</sup> .....	1,561 Gals	.....5,916 ltr

Holding Capacity <sup>(C)</sup> .....	215 Gals	..... 815 ltr
Weight Displacement <sup>(C)</sup> .....	110,000 Lbs	..... 49,895 kg
Height Above Waterline to		
• Top of Flybridge Windshield <sup>(C)</sup>	18'7"	.....5.66 m
• Top of Arch <sup>(C)</sup> .....	21'2"	.....6.45 m
Twin CAT 3412E Diesel Engines	1400 BHP	
Twin D.D. 12V-2000 DDEC Diesel Engines	1480 BHP	

### STANDARD EQUIPMENT<sup>(A)</sup>

#### Exterior Finish

- Isophthalic gelcoat, interior layer, black
- Isophthalic gelcoat, exterior layer, white
- Blister-resistant vinyl ester resin in hull bottom skin coat
- Topsides and superstructure, polyurethane coating
- Polymer/copper based anti-fouling bottom paint
- Boot stripe, polyurethane coating
- Decks, non-skid surface, polyurethane paint with polymeric beads

#### Hardware and Miscellaneous

- All hardware chrome on brass or stainless steel
- Swim platform with reboarding ladder
- Fiberglass pulpit with stainless steel anchor chute and roller
- Anchor, anchor line and deck hawse pipe
- Windlass, 3500 lb. with 300' chain
- Hydraulic stabilizer
- Six springline cleats with chafing strips
- Bow and stern chocks and cleats
- Stainless steel rails on bow, side-deck and flybridge
- Boarding gates port and starboard side decks
- Remote controlled searchlight
- Fog bell
- Dual air horns
- Zincs on rudders and shafts
- Bow and stern staffs with pennant and ensign
- Black braided mooring lines (6)
- Alloy 22 propeller shafts
- Bronze driplens shaft and rudder seals
- Life jackets (12)
- Life ring
- Portable fire extinguishers
- Trim tabs with zincs
- Bronze rudders and struts
- Propellers, Nibral high performance
- Sea stairs with storage brackets
- Foredeck seat with cushions and cover
- Prop puller
- Bow thruster
- Davit, 1500 lb. hydraulic lift
- Holding tank with macerator and overboard discharge
- Freshwater washdown, bow
- Black fenders (4)

#### Engine Compartment and Bilge

- AC fluorescent lights
- DC lights
- DC bilge blowers
- Twin diesel freshwater-cooled main engines with marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and seawater strainers
- Fixed fire extinguishing system for engine compartment and generator compartment with automatic and remote manual controls plus audible and visual discharge signals
- Two AC ventilation fans
- Two 21.5kW freshwater-cooled diesel generators<sup>(D)</sup> with sound enclosure, remote start, seawater strainer, hour meter and water lift muffler
- Fuel tank selector manifold with gauges at pilothouse console
- Freshwater fill hose for engines and generators
- AC compressed air system with air line and regulator
- Dockside water inlets with pressure-regulating valve
- Automatic, electric bilge pumps
- Ball-valves on all underwater through hull fittings with electrical bonding throughout
- Pressurized freshwater system with 50-gallon electric water heater and central charcoal filter
- U.L. approved fiberglass reinforced fuel tanks
- Sewage holding tanks plumbed for dockside pumpout with audible alarm and display, as part of systems monitor
- Oil changing system for engines, generators and gears
- Fuel filter/water separator, generators
- Duplex fuel filters/water separators with bypass manifold, engines
- Fuel priming pumps, engines
- Overhead grab rails
- AC distribution panel
- DC distribution panels
- Painted engine room, polyurethane

#### Electrical Systems

- Two 24 volt banks of heavy duty 12 volt marine batteries with automatic battery charger, 50/60 Hz
- Battery paralleling system with switch at control consoles
- Two 240 volt, 50 amp, transformer connected retractable shore cords with over current protection, one each port and starboard
- AC and DC light fixtures
- AC duplex outlets
- Battery control panels with fuses and isolation switches
- DC distribution panel with magnetic circuit breakers
- DC electronics panel with magnetic circuit breakers
- AC distribution panels with thermal/magnetic circuit breakers
- AC switching panel with volt meter, ampmeter, frequency meter, generator start/stop controls and interlock selector breakers
- Systems monitor with visual and audible signals for exhaust temperature, alternator, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine room and generator room, AC power loss, smoke detectors, holding tank level and holding tank 3/4 full monitor
- Navigation lights
- Ground fault protection on AC receptacles and lighting circuits
- Air conditioning with reverse-cycle heating
- SSB radio ground screen laminated in cabin top
- Telephone/CATV inlets, one each port and starboard
- Telephone and CATV shoreline cords, one each
- TV antenna, omni-directional

#### Pilothouse

- Wood paneling/padded panels
- Vinyl tile flooring
- Removable vinyl headliner
- Sliding doors, port and starboard, to side decks
- Safety glass
- Cruising seat with storage
- Steps to lower companionway
- Electric windshield washers/wipers with controls
- Windshield cover for privacy
- Hydraulic power-assisted steering
- Single lever clutch and throttle controls (electronic) with emergency back-up and engine synchronization
- Compass with dimmable light
- Rudder angle indicator
- Control station with all necessary switches and dimmable lighted instruments
- Fuel level gauges
- AC distribution panels
- DC electronics panel
- AC switching panel
- AC and DC light fixtures
- AC duplex outlets
- Telephone outlet
- Stairs and sliding door to flying bridge
- Storage lockers
- Arched door to galley/dinette
- Stereo speakers with volume control
- GPS/Plotter, VHF, autopilot, depth and speed finder

#### Flybridge and Bridge Deck

- Molded fiberglass bridge
- Storage under control console with DC lighting
- Stainless steel grab rails and stanchions
- Tinted acrylic windshield
- Control station with necessary switches and dimmable lighted instruments
- Aluminum radar arch encapsulated with fiberglass with mast, radar platform, masthead light and anchor light
- Compass with dimmable light
- Single lever clutch and throttle controls (electronic) with emergency back-up and engine synchronization
- Hydraulic power-assisted steering
- Helmsman and companion seat, both adjustable
- Rudder angle indicator
- U-shaped bridge deck seating with vinyl-covered polyfoam cushions and storage, with access to boat deck
- Stairs and sliding door from pilothouse
- Stereo speakers with volume control
- Freshwater washdown

#### Aft Deck

- AC duplex outlet
- DC lighting in hardtop
- Molded-in steps to cockpit
- Stainless steel railing
- Molded fiberglass
- Wing boards
- Sliding door to deckhouse
- Stereo speakers with volume control
- Hardtop

#### Cockpit

- Molded fiberglass with non-skid sole
- Freshwater wash down with hose connection
- Steps to aft deck
- Steps to swim platform
- Stainless steel railing
- Storage doors to lazarette
- Hand held hot/cold cockpit shower with cover

#### Salon/Galley

- Wood paneling
- Carpeting (Salon)
- Removable vinyl headliner
- Decorative wood valance with fixed Roman shade and silhouette blinds
- Aluminum sliding door to aft deck
- Stairwell to master stateroom and engine compartment
- Entertainment center including 27" stereo TV with omni-directional antenna, VCR, AM/FM stereo receiver with CD player and master distribution center
- Fixed frameless windows with tinted safety glass
- Vinyl tile flooring (Galley)
- Wood paneling (Dinette)
- Solid surface countertops with sinks and storage cabinets made of finished wood
- AC refrigerator with freezer and ice maker
- AC four-burner cooktop with oven under counter
- Microwave/convection oven
- Garbage disposal
- Telephone outlet
- AC and DC light fixtures
- AC duplex outlets
- Dinette with storage under seats
- Dishwasher
- Arched door to pilothouse
- Stereo speakers with volume control
- Water level gauge
- Sofa with storage
- Wood inserts on appliances
- Throw pillows

#### Master Stateroom

- Wood paneling
- Carpeting
- Removable vinyl headliner
- Wood valances with Roman shade
- King-sized berth with upholstered headboard and storage underneath via gas cylinders
- Polyfoam mattress, spread, throw pillows, pillows, pillow shams, mattress pad and sheets<sup>(E)</sup>
- Ventilating portlights with screens
- Walk-in cedar-lined wardrobe with arched door and automatic light
- Built-in dressers, port and starboard
- AM/FM stereo receiver with CD player
- Stereo speakers
- AC and DC light fixtures
- AC duplex outlets
- Telephone outlet
- 20" TV with VCR and MATV outlet
- Private access to heads
- Arched door to companionway
- Full-length mirror

#### His and Her Master Heads

- Vinyl tile flooring
- Removable vinyl headliner
- Vinyl wallcovering
- His and her vanities with solid surface backsplash, sidesplash, baseboards and countertops with integral sinks
- Tub with shower, sliding doors, whirlpool jets and automatic sump pump

- Storage cabinet with mirror
- Finished wood base cabinet with storage and bowed fronts
- Plexi mirror around upper cabinet
- Towel bars
- Freshwater toilets
- Recirculating fan
- AC and DC light fixtures
- AC duplex outlet

### Aft Stateroom with Head (Optional)

- Available only with Alternate Master Stateroom arrangement by eliminating the office
- Wood paneling
- Carpeting
- Removable vinyl headliner
- Upper and lower berths
- Hanging locker
- Polyfoam mattresses, spreads, throw pillows, pillow shams, pillows, mattress pads and sheets(E)
- Full-length mirror
- Molded shower
- Solid surface backsplash, sidesplash, baseboards and countertop with integral sink
- Storage cabinet with mirror
- Plexi mirror around upper cabinet
- Towel bars
- Freshwater toilet
- Recirculating fan
- AC and DC light fixtures
- AC duplex outlet
- Stereo speakers with volume control

### Aft Companionway

- Carpet
- Removable vinyl headliner
- Vinyl padded panel wallcovering
- DC light fixtures
- Portable halon fire extinguisher
- Lighted stairway to main salon
- Arched doors to master stateroom, office (optional guest stateroom) and engine compartment

### VIP Guest Stateroom

- Wood paneling and vinyl wallcovering
- Carpeting
- Removable vinyl headliner
- Wood valance with Roman shade
- Queen-sized berth with upholstered headboard and storage underneath via gas cylinders
- Polyfoam mattress, spread, throw pillows, pillow shams, pillows, mattress pad and sheets(E)
- Ventilating portlight with screen
- Cedar-lined hanging lockers with arched doors and automatic lights
- Nightstands with drawers
- Full-length mirror
- AC and DC light fixtures
- AC duplex outlets
- Dresser
- Stereo speakers with volume control
- Telephone outlet
- Private access to head
- 13" TV/VCR combo with MATV outlet

### Mid-Ship Guest Head

- Vinyl tile flooring
- Vinyl wallcovering
- Removable vinyl headliner
- Solid surface backsplash, sidesplash, baseboards and countertop with integral sink
- Tub with shower, sliding door, whirlpool jets and automatic sump pump
- Towel bars
- Storage cabinet with sliding mirror doors
- Finished wood base cabinet with storage and bowed fronts
- Plexi mirror around upper cabinet
- Linen locker
- Freshwater toilet
- Recirculating fan
- AC and DC light fixtures
- AC duplex outlet

### Forward Port Stateroom

- Wood paneling and vinyl wallcovering
- Carpeting
- Removable vinyl headliner
- Hinged upper berth and lower berth with storage under lower berth (twin berths with Alternate Bow Stateroom arrangement)
- Polyfoam mattresses, spreads, throw pillows, pillows, pillow shams, mattress pads and sheets(E)
- Cedar-lined hanging locker with arched door
- Full-length mirror
- Stereo speakers with volume control
- AC and DC light fixtures
- AC duplex outlets
- Private access to port head (standard arrangement)

### Forward Heads (Port and Starboard)

- Vinyl wallcovering
- Vinyl tile flooring
- Removable vinyl headliner
- Stall shower with bi-fold door and automatic sump pump
- Solid surface backsplash, sidesplash, baseboards and countertop with integral sink
- Finished wood base cabinet and bowed fronts
- Plexi mirror around upper cabinet
- Linen locker
- Mirror
- Towel bars
- Freshwater toilet
- Recirculating fan
- AC and DC light fixtures
- AC duplex outlet

### Bow Guest Stateroom

- Carpeting
- Padded vinyl on hullside and removable vinyl headliner
- Padded panels
- Dressers, port and starboard
- Queen-sized tapered berth with upholstered headboard and storage underneath via gas cylinders
- Polyfoam mattress, spread, throw pillows, pillows, pillow shams, mattress pad and sheets(E)
- Full-length mirror
- Nightstands, port and starboard
- Mirrored forward bulkhead
- Rope storage locker with divider
- Cedar-lined hanging locker with door
- Screened overhead hatch with privacy cover
- Stereo speakers with volume control
- AC and DC light fixtures
- AC duplex outlets
- Access to starboard head (standard arrangement)
- 13" TV/VCR combo with MATV outlet
- Wood berth base

### Alternate Bow Stateroom (Optional)

- In lieu of bow stateroom with queen berth
- Carpeting
- Padded vinyl on hullside and removable vinyl headliner
- Upper and lower berths with storage underneath
- Polyfoam mattresses, spreads, throw pillows, pillow shams, pillows, mattress pads and sheets(E)
- Full-length mirror
- Rope storage locker with divider
- Cedar-lined hanging locker with arched door and automatic light
- Screened overhead hatch with privacy cover
- Stereo speakers with volume control
- AC and DC light fixtures
- AC duplex outlet
- Private port head with shower
- Port forward stateroom has twin berths and head to starboard (across companionway)

### Forward Companionway

- Carpeting
- Removable vinyl headliner
- Vinyl padded panel wallcovering
- Portable halon fire extinguisher
- Washer/dryer
- DC light fixtures
- DC AM/FM stereo receiver with CD player
- Stairway to pilothouse
- Arched doors to starboard guest head and guest staterooms
- Hatch to machinery compartment on gas cylinder
- Cedar-lined storage locker
- Lighted steps to lower companionway

### OPTIONAL EQUIPMENT(A)

#### Base Options

• Walk-around Side Decks .....	41,865
• Alternate Bow Stateroom Arrangement(F).....	8,960
• Alternate Master Stateroom and Head with Office.....	N/C
• Flybridge Island Bar(F) .....	19,900
• Flybridge Key Bar(F) .....	27,260
• Aft Deck Bar(F) .....	15,525
• Stainless Steel Door to Aft Deck(F) .....	21,610
• Engine Room Entry Thru Mid-ship Stateroom(F) .....	3,880
• Water Delivery Kit.....	2,640
• Aft Stateroom with Head .....	16,080
• Watermaker, 800gpd .....	19,425
• Watermaker, 1200gpd .....	20,920

#### Mechanical and Miscellaneous Equipment

• Sea Ladder with Storage Brackets .....	1,610
• Wash Down, Freshwater, Aft Deck or Foredeck, Add'l. Outlet .....	915
• European Passerelle .....	P.O.R.
• Fully Manual 1500 lb. Davit .....	15,220
• Electric Dual Lever Clutch and Throttle Controls in Lieu of Standard, Per Station .....	N.C.

#### Canvas

• Flybridge Cover .....	1,800
• Flybridge Instrument Cover .....	315
• Flybridge Helmseat Cover (each) .....	250
• Flybridge Lounge Cover .....	1,450

#### Electrical and Appliances(F)

• Trash Compactor .....	1,620
• Telephone Outlet, Add'l. (each) .....	430
• TV Outlet, Add'l. (each) .....	570
• Receptacle, Weatherproof, 120V .....	470
• Full 50 Hz 220V System with Appliances and Receptacles to be Consistent with Destination Country .....	P.O.R.
• Change Receptacles to be Consistent with Destination Country and Install Multi-standard TVs and VCRs .....	P.O.R.

#### Decor and Furnishing

• Sheets, Add'l. Set, Single Berth(E) .....	130
• Sheets, Add'l. Set, Queen Berth(E) .....	160
• Sheets, Add'l. Set, King Berth(E) .....	190
• Mattress Pad, Add'l., Each Berth .....	130
• Pillow, Add'l., Dacron Filled .....	50
• Plexi Mirrored Ceiling (per head) .....	1,460
• Cherry with Waterbased Finish .....	14,955

#### Paint(F)

• Boot Top, Optional Color .....	670

## NOTES TO SPECIFICATIONS AND EQUIPMENT

(A) Right is reserved to make changes at any time, without notice, in prices, material, specifications and equipment. Orders are accepted subject to prices prevailing at time of shipment. Orders requesting any material and/or equipment which differs from that selected by Hatteras as standard or optional for this model will be considered a custom change and will require additional charges. Prices shown for many options may apply only if ordered prior to start of production. Once production begins, orders for such options may require additional charges due to non-standard installation requirements and/or lead times. In order to show equipment size and location, line drawing may include some optional items. Specifications, standard equipment, and optional equipment effective with boats sold at August 1, 2000, through July 31, 2001, Hatteras Base Prices.

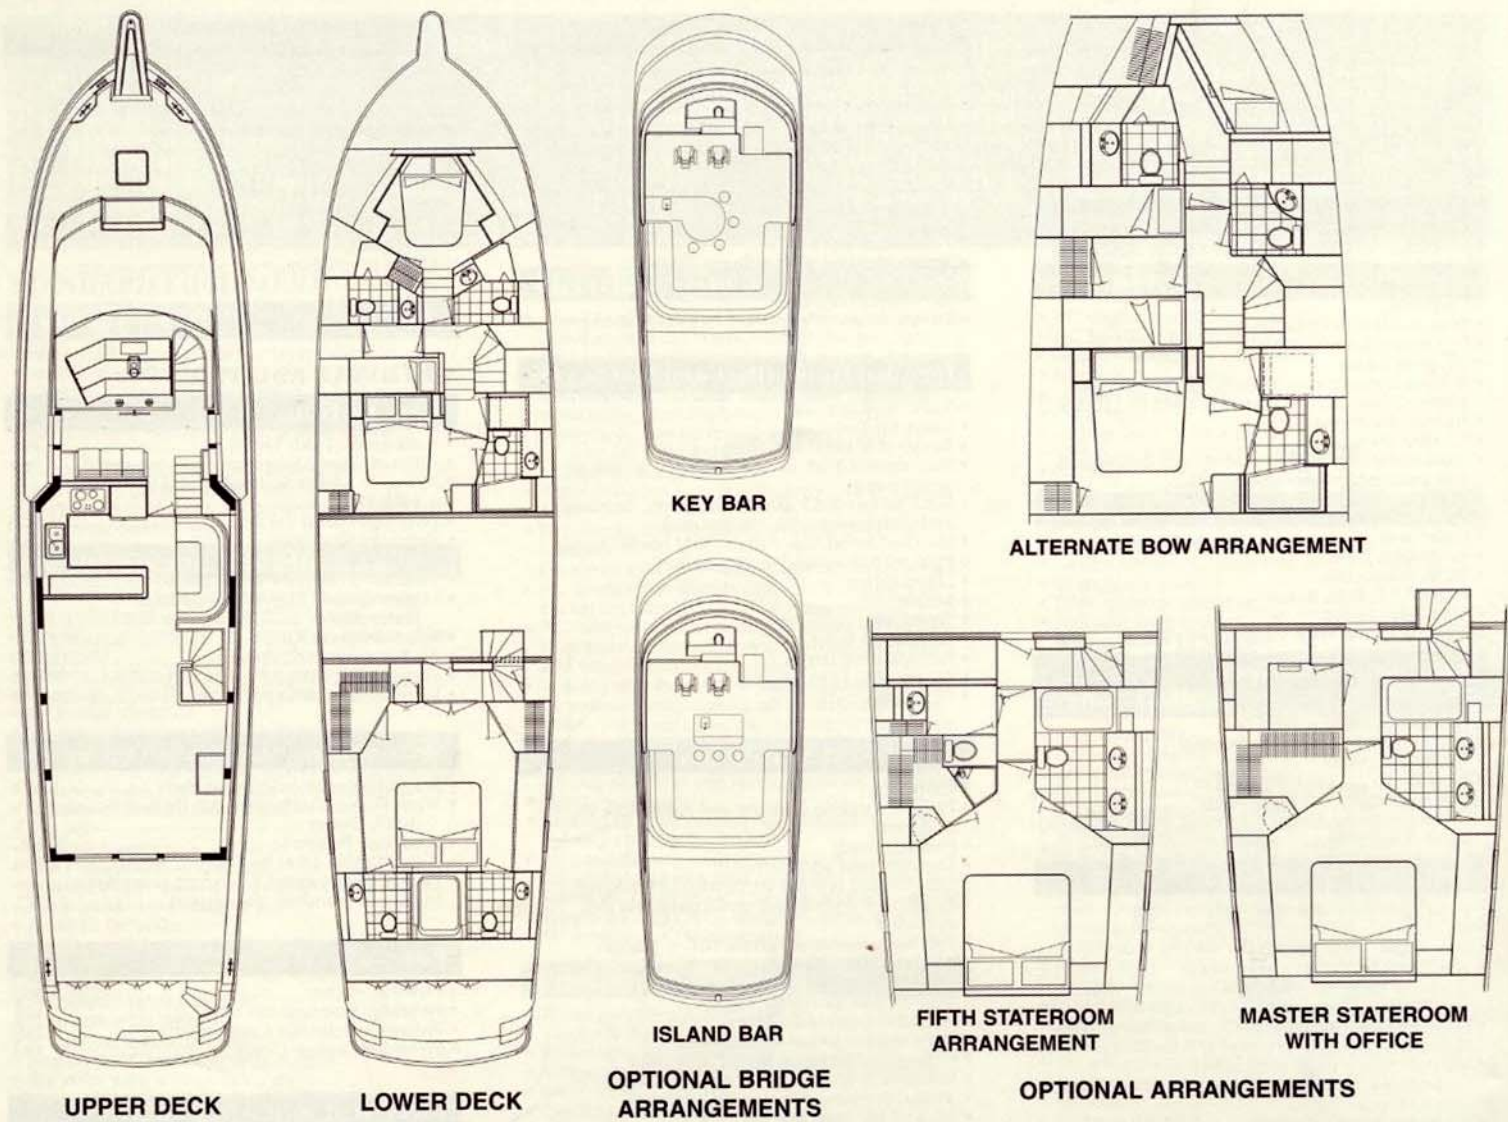

(B) Length overall does not include the swim platform or bow pulpit.

(C) Weight, draft, freeboard and height are based on an estimate of model's displacement with largest engines available. Weight is estimated with fuel, holding and freshwater tanks half filled. Draft and freeboard are estimated with all tanks filled. Heights are estimated with all tanks empty. Actual figures will vary depending on production tolerances, equipment, supplies and stores on board, as well as operational and sea conditions. Capacities of tanks are estimated to be total capacity of all tanks normally furnished in this model. Usable capacities will vary depending upon conditions.

(D) Generators are not intended to supply power for all standard and optional accessories simultaneously. Load must be limited to generator output rating.

(E) One set of sheets includes: one bottom sheet, one top sheet, pillowcase(s).

(F) Option must be ordered prior to start of production. Price shown reflects cost of scheduled installation requirements. A late request for this option will require an additional charge.

## HATTERAS LIMITED WARRANTY

**Hatteras Yachts, Inc.**, warrants to you, the first retail purchaser of this 2001 model year yacht, that it will repair or replace defects in materials or workmanship that occur within the applicable warranty periods, subject to the "What This Warranty Does Not Cover" section set forth below. If a defect in material or workmanship in the hull structure is discovered within five (5) years, or in a non-structural component manufactured by Hatteras within one (1) year from the date the yacht is delivered, Hatteras will repair or replace, at its sole option, those part or parts found by Hatteras to be defective. Hatteras will repair defects that result in osmosis blistering of the exterior gel coat surface of the hull laminate discovered within 5 (five) years. All warranties run from date of delivery. Your sole and exclusive remedy is the repair or replacement of items covered by this warranty.

You must contact an authorized Hatteras dealership within the applicable warranty period to obtain warranty service. The Hatteras dealer will carry out the warranty procedures on your behalf. All warranty work will be performed at an authorized dealership or at another repair facility that Hatteras selects. You are responsible for the expense associated with transporting the yacht to and from the repair facility.

An action for breach of warranty shall be barred unless it is commenced within four (4) years from the date the cause of action accrues. An action for breach of any duty or obligation to repair or replace shall be barred unless it is commenced within one year from the date the cause of action accrues, regardless of the time remaining in the Warranty Period.

**What This Warranty DOES NOT COVER:**

1. Any yacht, equipment, or component that has been subjected to or affected by any unauthorized alteration or modification.
2. Engines, transmissions, controls, propellers, batteries, appliances, other equipment, accessories, or components which are not manufactured by Hatteras, whether or not warranted by other manufacturers.
3. Gelcoats, paints, varnishes, or other finishes (including cracking, crazing or discoloration) fabrics, canvas, stainless steel, or any plated finishes.
4. Osmosis blistering if the original gel surface has been altered in any way, including repair, application of any coating other than marine anti-fouling bottom paint, improper surface preparation for paint, or excessive sanding or sandblasting.
5. Any yacht which has been misused, used in negligent manner, used for racing, used for rental, charter, military or other commercial purposes, used without normal maintenance, operated contrary to any instructions furnished by Hatteras, or operated in violation of any Federal, State, Coast Guard or other governmental agency laws, rules or regulations.
6. Weight, draft, speed, fuel consumption or any estimated performance characteristic.
7. Loss of time, inconvenience, rental charges, travel expense, loss of use, dockage fees, towing and storage charges, loss of or damage to personal property, or other remedies not specifically allowed.

Remedy under this warranty is expressly limited to repair or replacement of defects in material or workmanship, and **does not include incidental or consequential damages** which are specifically **DISCLAIMED**. **NOTE:** SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. The express warranty described above is exclusive. ALL IMPLIED WARRANTIES (IF ANY), INCLUDING **MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE**, ARE LIMITED IN DURATION TO THE APPLICABLE PERIOD OF THIS WRITTEN WARRANTY AND ARE EXPRESSLY DISCLAIMED IN THEIR ENTIRETY AFTER EXPIRATION OF THE APPLICABLE WARRANTY PERIOD. There are no warranties which extend beyond the description on the face hereof. **NOTE:** SOME STATES DO NOT ALLOW LIMITATION ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS WHICH VARY FROM STATE TO STATE.

This document contains the entire warranty given by Hatteras. Hatteras does not authorize any person or persons, including its Hatteras dealers, to change the terms of this express limited warranty, which is Hatteras only warranty. Hatteras reserves the right to change or improve the design or manufacture of Hatteras yachts without obligation to modify any yacht previously manufactured.

**To obtain warranty service:**

1. Schedule an appointment with your Hatteras selling dealer to examine your Hatteras yacht. Transportation to and from the dealership or any repair facility that Hatteras selects is at your sole expense.
2. The dealer must obtain pre-authorization from the Hatteras Service Department prior to making any repairs on your yacht. The dealer is obligated to follow any Hatteras direction for repair or replacement covered by this written warranty.
3. Equipment, accessories, or components not manufactured by Hatteras Yachts, including but not limited to, engines, transmissions, generator sets, electronics, appliances and air conditioning, are subject to the applicable warranty of their manufacturer. Repair to any of these items will be handled by their authorized service dealer. Your Hatteras dealer will identify these service dealers upon request.
4. Any other communication necessary in connection with this warranty should be directed to:
